**SUBJECT:** "THIS IS YOUR LIFE" PRODUCTION

The Robert N. Davoren Center would like to express our heartfelt appreciation for your performance at our facility. Seeing the tractor trailer packed with equipment from front to back, followed by a luxury bus full of approximately sixty-eight (68) youths appeared to be somewhat of a challenge for our staff, however, your group was so well organized with each member carrying instruments expeditiously, following through on instructions given by my staff, everything was brought into the facility, and a full theatrical stage was set up within one hour, including lighting.

Your performance was flawless, seeing youths with such Godly Devotion, their willingness to come and perform at a correctional facility, the love and warmth they displayed have truly touched the heart of many of the hundred and seventy-five (175) inmates, as well as many of the staff members in attendance. By the time altar call was made many inmates came to present themselves to God.

We pray that God will continue to bless your ministry as you continue to spread a message of love, and hope to numerous prisons, and shelters. We look forward to having you back again next year.

Again Thank you for everything.
