Dear Kathy:

I want to thank you and the members of Shining Light for taking time to come to Maxey Boys Training School and put on stage such an excellent production. I and everyone else including the youth were overwhelmed by the entire presentation. You brought the message of Jesus Christ to the wilderness of the abandoned and rejected youth of Michigan. You made the Gospel real and practical. You uplifted the hearts of our youth and showed them that they do not need to live in the wilderness all their lives. You gave them hope! The music, the acting, the lighting, and sound effects were overwhelmingly powerful. This was the first time such a mega production has ever been staged at Maxey since I have been here.

The dialogue between your group and our youth was powerful and very meaningful. I wish if we had more time. The youth did not want to stop talking and making comments on how the production impacted their lives. The Director knew the right questions to ask and he got the right answers from the youth. Your youth were calm, well behaved and well mannered. They acted like ladies and gentlemen.

Again, thank you very much for finding time to reach the hearts and the souls of our youth here at Maxey Training School. Give our best regards to the Director, the staff and the entire cast.

Yours in the Mighty and Wonderful name of Jesus Christ,

Dr. Kamuyu-wa-Kangethe
