

### Untitled

My life inside,  
one quest after another -  
always seeking  
the joy of the moment,  
drenched in unfulfillment  
searching - seeking.  
I quest with unabounded  
HOPE,  
Resolution - Joy,  
Inspiration found  
with my pen on the paper  
my verve - my zest.  
with my pen on the paper  
inspiration found  
resolution - joy  
HOPE.  
I quest with unabounded  
searching - seeking,  
drenched in unfulfillment,  
the joy of the moment  
always seeking,  
one quest after another -  
my life inside.

## FOR READING!

Below is a question to reflect on from this piece. Feel free to also use it as a conversation starter with a fellow reader, or even a loved one on the outside!

*In the Shining Light Academy, we enjoy trying out poetic forms like the haiku, limerick, and sonnet. Try putting "pen on paper" to create your own "quest for zest"; seek out moments in your day that bring you joy or hope, and include them in a poetic form of your own choosing. Maybe try a palindrome!*

We'd love to hear what you thought of the piece, or if you've had any meaningful conversations as a result. Or perhaps you'd like to share an expression of your own (visual art or creative writing). You are always welcome to write to us at Shining Light at P.O. Box 267, Annville, PA 17003.

*\*Note: We will not be able to provide a response to your letter or receipt of your submission, but know that we value your feedback and contributions and will take them seriously.*
